

Igniting individual potential, together

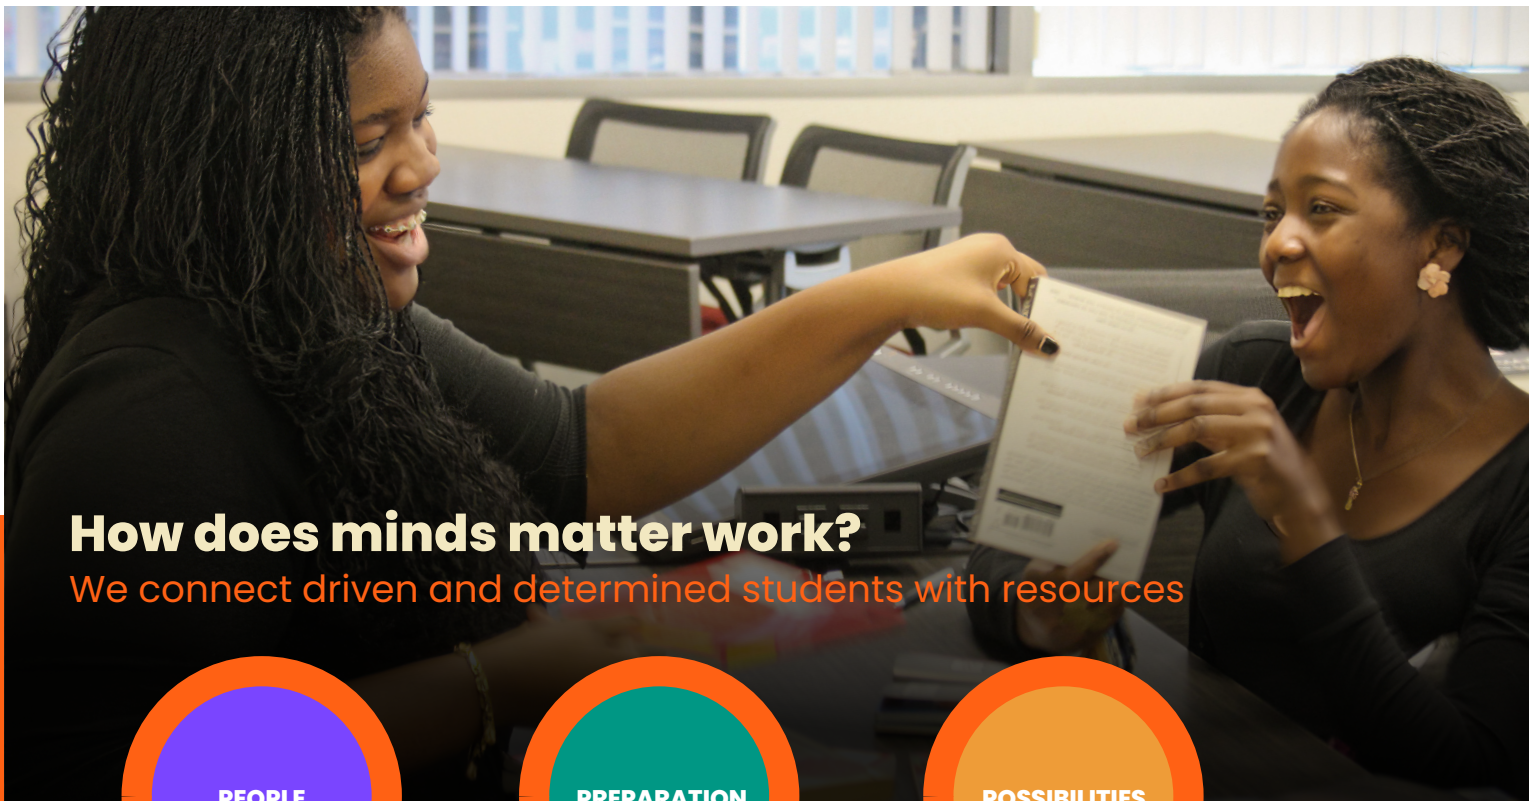

Want to go to college? Minds matter can help

You have the power and potential to make a unique mark on the world. Your grades are good, and you do well in school while juggling all the other things you have going on in your life. You may have some big dreams - college, a career, financial stability, and caring for your loved ones.

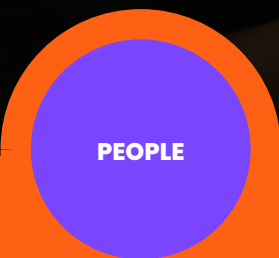

What you may not have are the resources, support, and knowledge of how to start on that future. That's where Minds Matter comes in. 100% of our graduates have been accepted to college with scholarships.

We'll connect you to the people, preparation, and possibilities to succeed in college, create your future, and change the world. And the best part is Minds Matter is free to you and your family.

How does minds matter work?

We connect driven and determined students with resources

PEOPLE

You'll be matched with mentors and countless volunteers who will support you.

PREPARATION

You'll get three years of weekly college-readiness programming.

POSSIBILITIES

You'll go to two summer programs where you'll get the full college experience.

What do I have to do?

Participate: Programming is from 9:00 am - 2:30 pm on Saturdays (from September-May, not including holidays). We serve students in Los Angeles. Learn more on our website: www.mindsmattersocal.org/students/overview

Do the work: Our programming has in-session learning activities and some out-of-session assignments for you to complete. Students are expected to fully participate and complete all assignments.

Who can apply?

Any student with a 3.0 unweighted GPA who qualifies for free or reduced lunch. If you are not sure if you qualify, send an email and ask us.

Apply now

If you have questions about the program or about applying, email us at: student@mindsmattersocal.org
