

Igniting individual potential, together

**Want to go to college?
Minds matter can help**

You have the power and potential to make a unique mark on the world. Your grades are good, and you do well in school while juggling all the other things you have going on in your life. You may have some big dreams - college, a career, financial stability, and caring for your loved ones.

Are you looking for the resources, support, and knowledge of how to start on that future? That's where Minds Matter comes in. 100% of our graduates have been accepted to college with financial aid and scholarships.

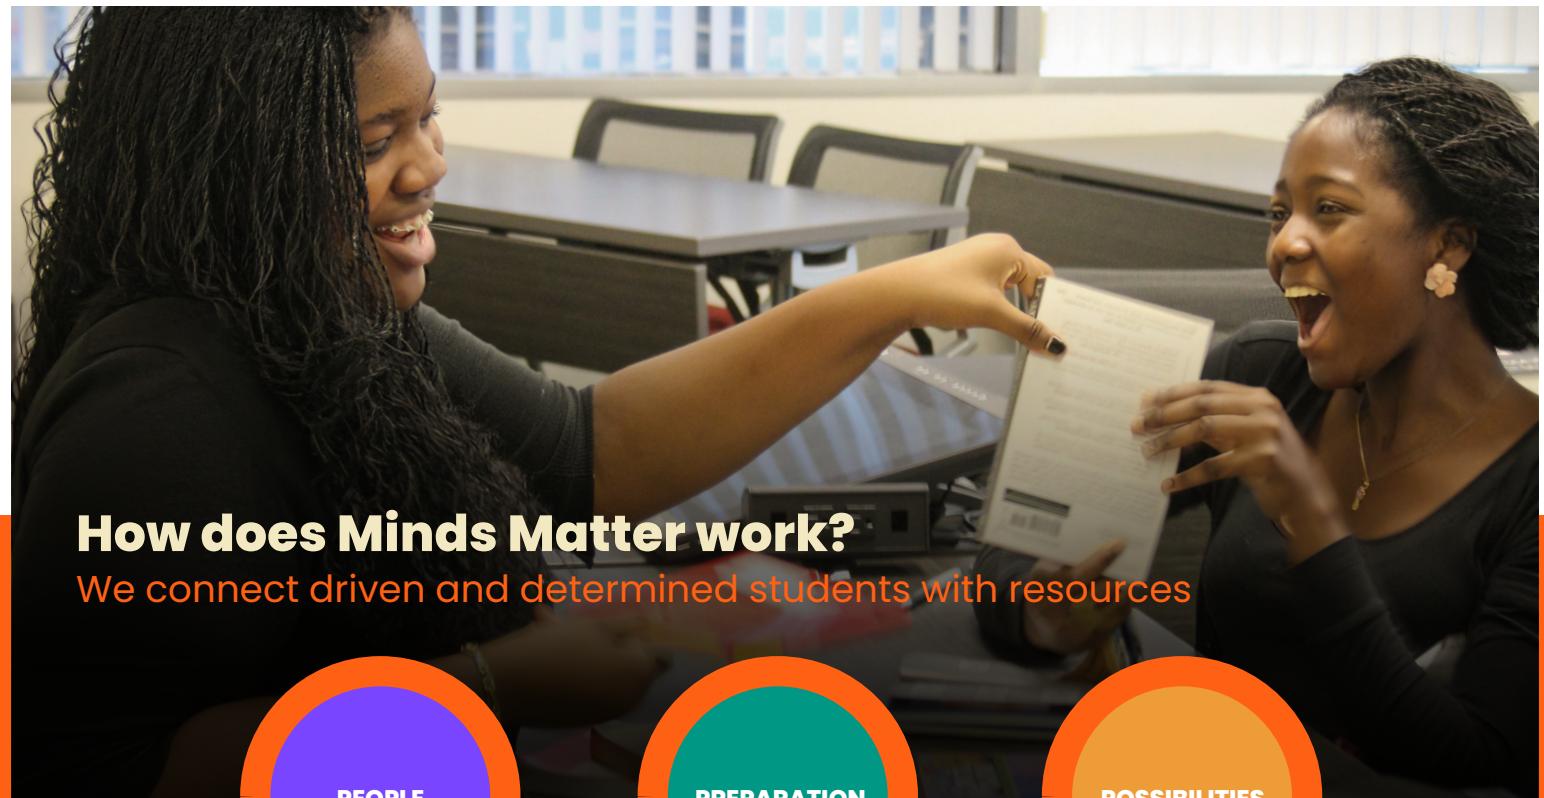

We'll connect you to the people, preparation, and possibilities to succeed in college, create your future, and change the world. And the best part is Minds Matter is free to you and your family.

How does Minds Matter work?

We connect driven and determined students with resources

PEOPLE

You'll be matched with mentors and countless volunteers who will support you.

PREPARATION

You'll get 3 years of weekly college-readiness programming and 4 years of college and career support.

POSSIBILITIES

You'll go to 2 summer programs where you'll get the full college experience and internship and career exploration.

What do I have to do?

Participate: College readiness programming is from 9:00 am - 2:30 pm on Saturdays (from September-May. College and career support is virtual.

Do the work: Our programming has in-session learning activities and some out-of-session assignments for you to complete. Students are expected to fully participate and complete all assignments.
